### FRACTAL TIME COMPRESSION FOR COMPLETE CODON SEQUENCES

[See Chronograph 15, Codon 47, Stages 6-13  
Chronograph 16, Codons, 24, 32, 40, 48, all stages]

Fractal Time Compression operates by law of kin equivalence. Through Chronograph tracking, identification of kin equivalences in orders of time compression excites accessibility of Radion. Density of time vector potentials, lubricated by Radion and Rune-Plasma synchronization, synergizes vertice of time travel.
