The serpent can fly only because it has sacrificed its lower self altogether, been pierced through and through with the arrow of cosmic wisdom and so has been transformed into a new kind of being – the Plumed Serpent [metaphor for the Superhuman].

This is a universal template for any and everybody's own spiritual realization. It is to be studied with the Wavespell of Quetzalcoatl/Lord of the Dawn's 13 stages of Transformation. Quetzalcoatl is the personification of the Cosmic Sky Religion.
