Activating the 7 Radial Plasmas

Whole Body Sensory Teleportation

Each day of the week in the 13-Moon cycle has a chakra (energy center) of the body which is sealed by one of seven radial plasmas. Plasmas are electronically charged particles that activate our electromagnetic field.

Align your chakra with the daily plasma to activate the light-heat within.

PLASMA:	DAYS:	CHAKRA:
1  Dali (target) yellow	1, 8, 15, 22	Crown
2  Seli (flow) red	2, 9, 16, 23	Root

13 Moon Synchronometer Tuning-in to the Cosmos

The Thirteen Moon calendar enters you into the synchronic order. This is the fourth-dimensional order of time and reality in which synchronicity is the everyday norm.

The synchronic order represents a new knowledge for our planet, a necessary knowledge if we are going to transform ourselves and our environment and come into harmony with our local star the Sun, which is now rapidly evolving to its next stage.

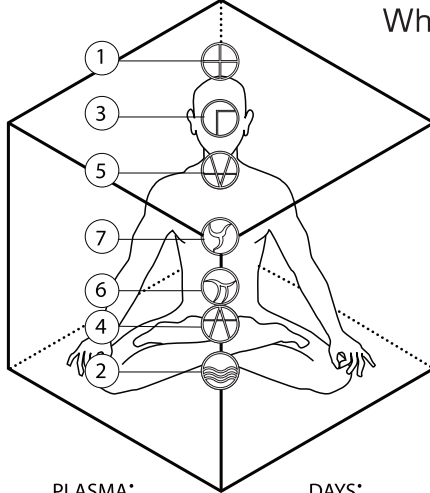

To participate in this grand process, the new calendar is actually a tool for tuning into the universal order of the cosmos. This "tuning in" process is accomplished daily by following the 13-Moon calendar and the daily galactic signatures. Once you learn the language of these signatures - seal, tone, color, etc. - then you are on your way to altering your perceptions and acquiring a new consciousness.

The Thirteen Moon calendar has been given to us as the simplest and easiest way to accomplish the next evolutionary stage. By its very nature, the synchronic order is cosmos - the very fabric that holds the universe together.

THE THIRTEEN GALACTIC TONES

By knowing the Thirteen Galactic Tones and Twenty Solar Seals we are able to explore a deeper level of the New Time. The Thirteen Galactic Tones represent primal patterns of radiant energy. The numbers can be thought of as radio pulses that are akin to the pulsations of radio waves.

The Twenty Solar Seals represent the cycle of frequency range possibilities for transformation or evolution that each of these radio pulses may undergo.

There are three key words for each of the 13 Tones and 20 Seals that serve as a launching pad for self-reflection, and give us an exciting lens to view ourselves and our world through.

Planet Holon

TIMESHIP EARTH 2013

If your whole body in Time and Space is the Human Holon, the Planet Earth's whole body in Time and Space is the Planet Holon.

Find the kin of the day on the planet holon. See which chakra that kin is located in. Connect your chakra with the Planet Holon. Unify your body with the Earth's body. Through this simple visualisation we activate the Earth's telepathic grid.

In this way we can know the Earth as ourself. To know "something else" as our self is to be "In Lak'ech (inlah-kesh) - which means:

"I am another yourself"

13 Moon Key

The 13-Moon, 28-Day Count is a solar/lunar/galactic perpetual synchronizing tool. It is Solar, because of the 365 total days the Earth spins around the Sun. Lunar, because it flows through the 13 Moon (Month) Cycles of 28 days each. Galactic, because the Thirteen Moon calendar synchronization date is based on the heliacal rising of the great star Sirius on Gregorian July 26 as prophetically calculated by the Maya at the time of the dedication of the tomb of Pacal Votan in AD 692.

Learn how to use the Destiny Oracle

Using the Destiny Oracle Board, find the Solar Seal of your Galactic Signature or today's Solar Seal. Meditate on the Destiny Oracle to unlock synchronicity! The Destiny Oracle tunes you into fourth-dimensional patterns that govern third-dimensional appearances. (see pp. 4-5 for seal & tone keys)

Finding the Daily Guide:

If the daily Destiny Kin is coded by the galactic tones:	
1, 6, or 11	Use the same solar seal as the destiny kin
2, 7, or 12	+12 to the solar seal of the destiny kin
3, 8, or 13	+4 to the solar seal of the destiny kin
4 or 9	-4 from the solar seal of the destiny kin
5 or 10	+8 to the solar seal of the destiny kin

For example, if the day is Resonant moon Dali 15 (see page 10) we see the Yellow Rhythmic Warrior seal, with tone 6 (Rhythmic). Tones 1,6, and 11 are guided by the same solar seal as the destiny kin, so the guide for Yellow Rhythmic Warrior is the Yellow warrior.

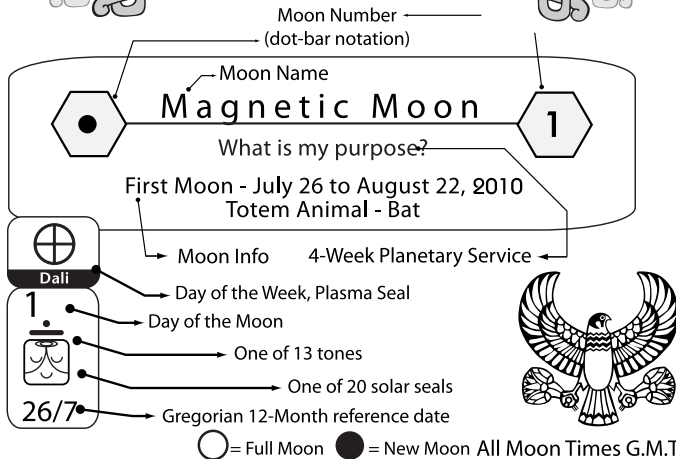

For another example see Electric Seli 9, The solar seal is White Mirror with tone 5 (Overtone). For tone 5 we add 8 to the solar seal of the destiny kin, plus 8 seals is White Worldbridget. White overtone mirror is guided by the white worldbridget!.

Find the Galactic Signatures of friends and family.

Using these keys, and by following the 13 moon calendar day by day you can experience more deeply into the majic of the New time of synchronicity.

Find Your Galactic Signature

Your galactic signature is your password into fourth-dimensional time. The day you were born on the 13 Moon Calendar is coded by your Galactic Signature. Your Galactic Signature is one of the 260 different possibilities shown on the Harmonic Module/Tzolkin to the right.

By playing the role of your galactic signature you allow yourself - your mind, body and spirit - to vibrate to that particular frequency and you broadcast it out to everyone around you. This is your gift to the world.

To find your Galactic Signature, follow the instructions below.

1. What year were you born?
Find the Year # for your birth year in the chart to the right.
2. Take the Year Number you found in Step One and add the number next to the month you were born (chart below).
3. Now add the number of the day in that month that you were born.
For example, if you were born on November 28 add 28 days to the Year and Month total. (February 29 is not counted on the 13-moon calendar, just count it as February 28 and continue.)
4. If the number you have is greater than 260 you need to subtract 260;
5. Look over on the Tzolkin to the right and find your Galactic Signature. Welcome to the New Time!

To learn more about your Galactic Signature, go to pages 3-4, and 31-32

Examples:

October 9, 1940. John Lennon

$92 + 13 + 9 = 114$. **White Planetary Wizard.**

December 21, 2012. Closing of the cycle

$112 + 74 + 21 = 207$. **Blue Crystal Hand.**

July 26, 2013. Galactic Synchronization

$217 + 181 + 26 = 424 - 260 = 164$. **Yellow Galactic Seed.**
