ENLIGHTENMENT BEING:

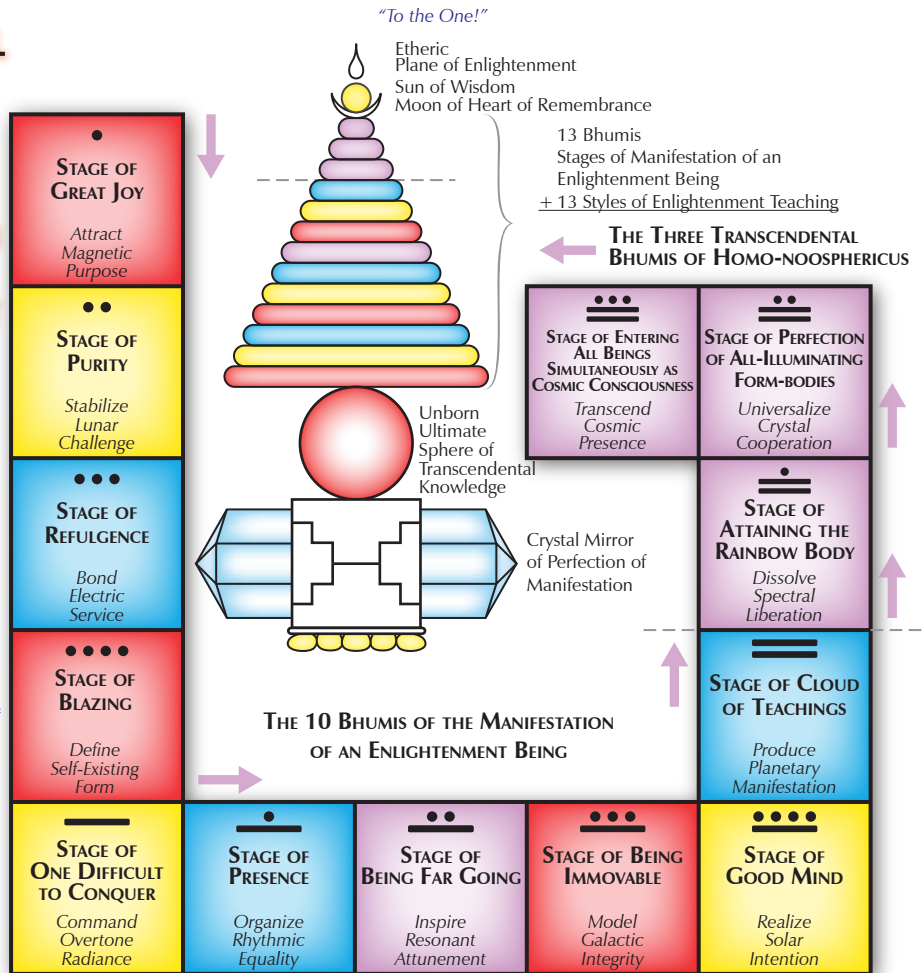

A worker for universal enlightenment, practitioner of higher yogas – especially Synchrogalactic Yoga; galactic missionary or messenger, independent of allegiance to any world system though fully embracing with universal compassion whichever world system he/she may find him/herself in and work for.

“Understanding right and wrong timing in the world, they civilize beings according to necessity, in every case adapting to their needs; this is the path traveled by those who comprehend.” (Book 21, The 10 Practices, Avatamsaka Sutra, Vol. 1, p. 479)

*13 Bhumis = 13 powers of 26 = 338 = 13² × 2

TO PURSUE THE WAVESPELL OF THE 10+3 BHUMIS IT IS NECESSARY TO ACTIVATE THE VOWS OF COSMIC ENLIGHTENMENT

1. Sentient beings are innumerable, I vow to enlighten them all. (4th-dimensional time pulsar – tones 1-5-9-13)
2. My delusions are inexhaustible, I vow to extinguish them all. (1st-dimensional lunar life pulsar – tones 2-6-10)
3. Dharma teachings are immeasurable, I vow to master them all. (2nd-dimensional sense pulsar – tones 3-7-11)
4. Buddha way is endless, I vow to follow it. (3rd-dimensional mind form pulsar – tones 4-8-12)

Wavespell is the 13-Tone Form Body of Cosmic Enlightenment of the Law of Time. This particular one is the superhighway to 2013 for those who seek immediate transcendence of the 12:60 world and its delusions.
